1 can (21 oz.) apple pie filling, drained

6 slices cheddar cheese

Preheat your broiler. Place cinnamon-raisin bread on a baking sheet and lightly toast under the broiler. Watch it as this will only take a minute or two!

We sometimes just pop the bread into the toaster then butter it and sprinkle with sugar - cinnamon before doing the next part!

Remove the baking sheet from the broiler and top each slice of toast with an equal amount of apple pie filling and a cheese slice. Broil 2 to 3 minutes, or until the filling is heated through and the cheese is melted. Serve immediately.

Makes 6 slices
